GUIDE TO PLANNING YOUR OUTDOOR EVENT

www.purvismarquees.co.uk

DEFINE YOUR VISION

What feeling do you want your guests to have when they visit your event?

VENUE SELECTION

We know many owners of castles and large houses around the country, indeed we've worked with almost every local authority too, we're happy to help make the introductions if you've got one in mind?

HEALTH AND SAFETY

Consider first aid training or designate individuals responsible for handling medical emergencies. Purvis Marquee Hire can guide you on emergency exits, fire safety, and crowd control.

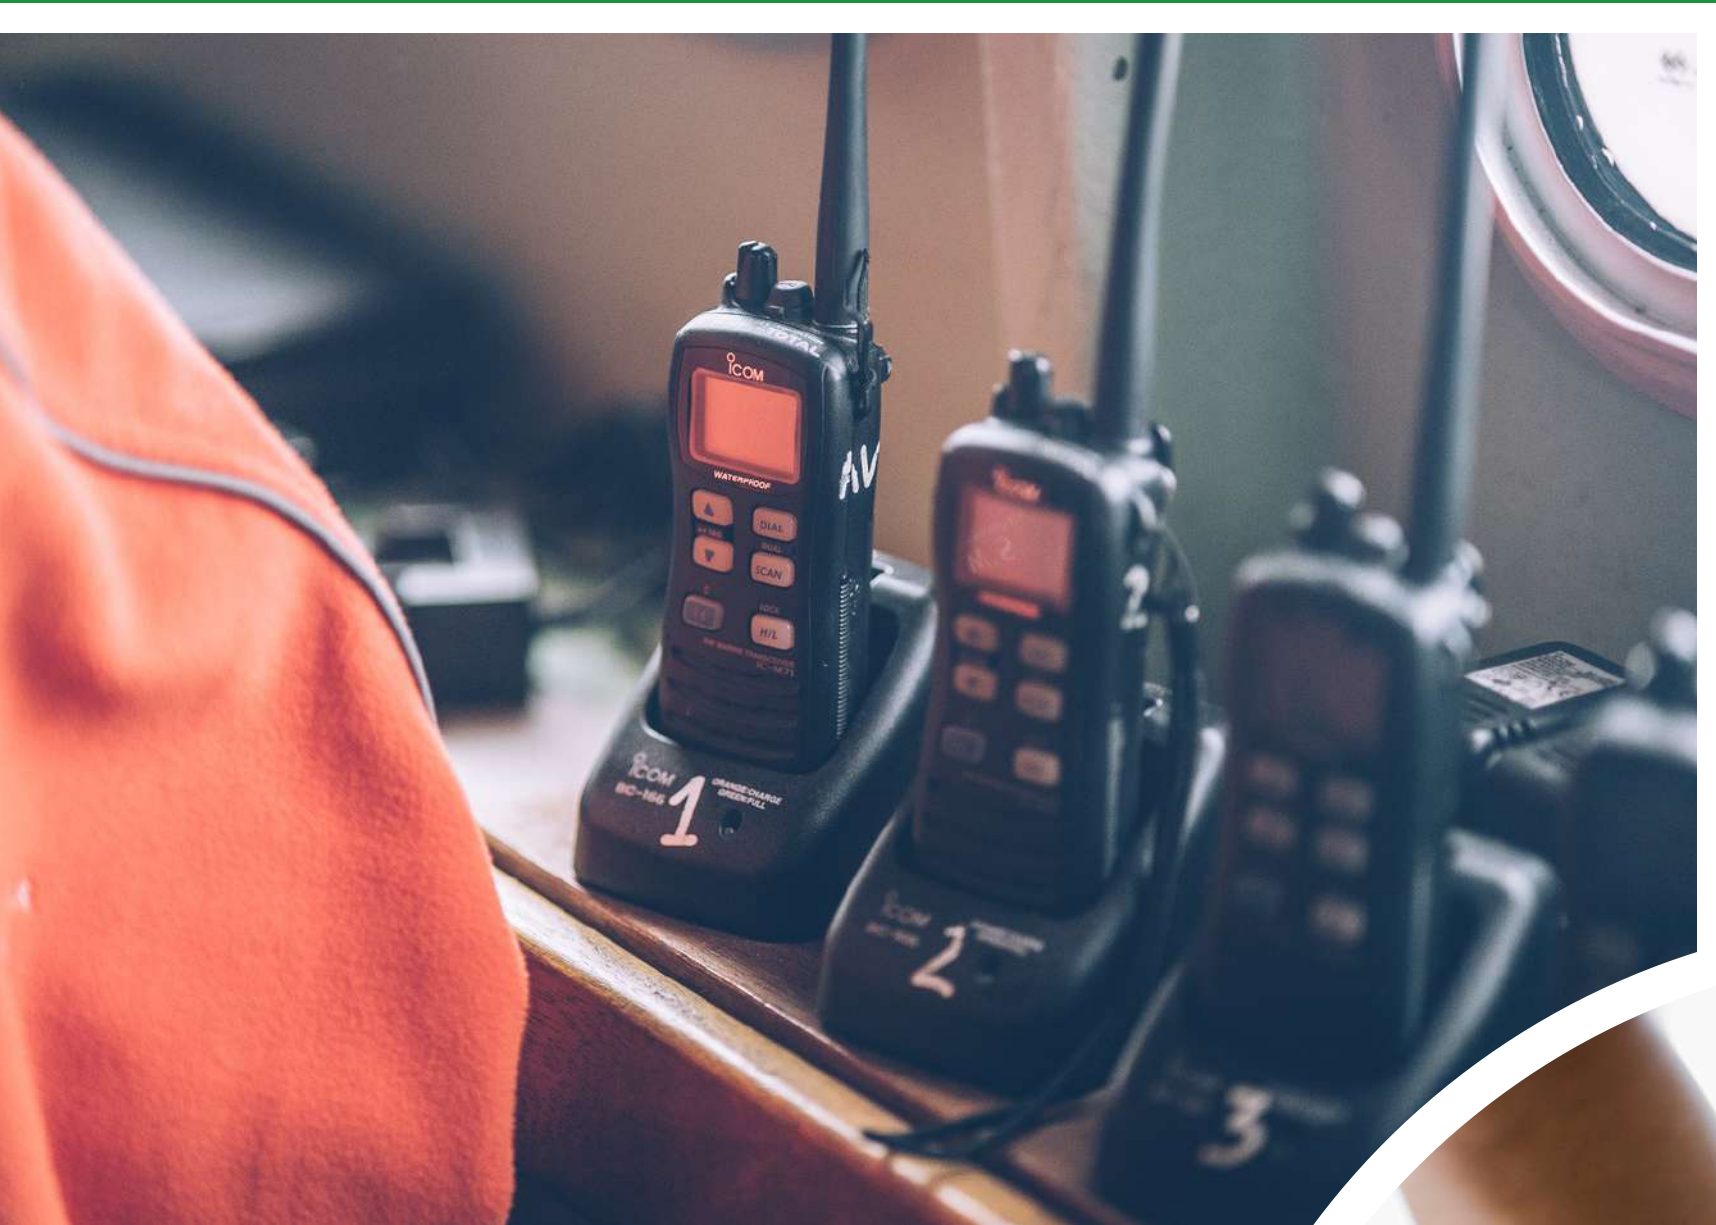

POWER SUPPLY

Plan for a reliable power supply. Purvis Marquee Hire offers generator rentals to ensure seamless operations for lighting, audio-visual setups, and other electrical needs.

ONSITE COMMUNICATIONS

Effective communication among your team is essential for coordinating various aspects of the event. Purvis Marquee Hire can assist with radio rentals for smooth, real-time communication.

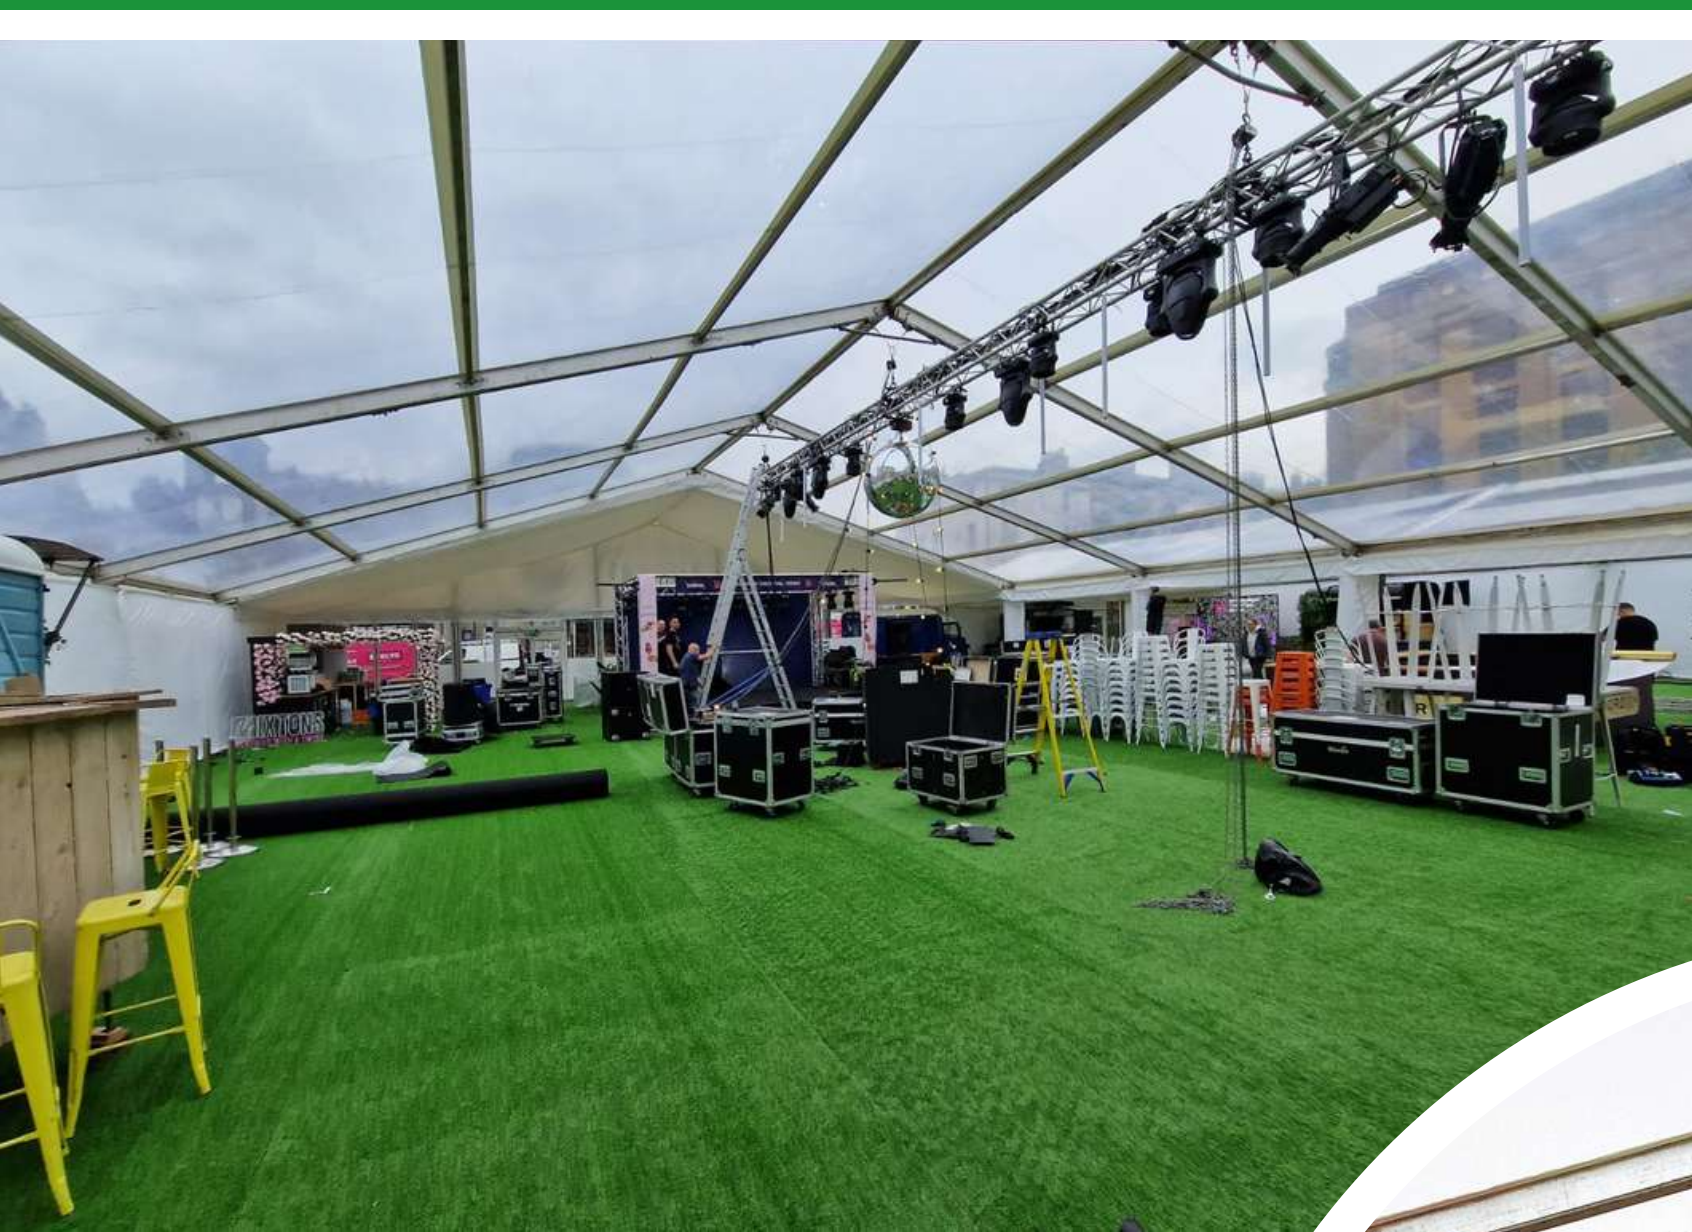

PARKING ARRANGEMENTS

Consider parking logistics for your subcontractors and attendees. Ensure there's ample parking space and clear signage. Efficient parking management can greatly enhance the guest experience.

AUDIO-VISUAL & LIGHTING

Create a captivating atmosphere with audio-visual setups and lighting. Purvis Marquee Hire offers a range of equipment to elevate the ambiance and provide a memorable experience for your guests.

FURNITURE & TENT LININGS

Enhance the comfort and aesthetics of your event with stylish furniture and tent linings. Our selection of furnishings and linings can transform your marquee into a luxurious and inviting space.

DANCE FLOORS AND STAGING

Set up stages, dance floors, and staging areas to showcase performances and presentations. Purvis Marquee Hire can assist with stage setups tailored to your event's needs.

FOOD PREP & REFRIGERATION

Ensure smooth food preparation with the right equipment. Consider refrigeration for drinks and snacks to keep them fresh throughout the event. Hygiene and food safety are paramount.

CLIMATE CONTROL

The UK weather can be unpredictable. Prepare for it with heating or cooling equipment. Our climate control solutions ensure your guests remain comfortable, no matter the weather.

PHONE CHARGING STATIONS & ONSITE WIFI

Set up convenient phone charging stations so attendees can stay connected and capture memorable moments.
